## **EXCELLENCE** in **CLOTHING**

It isn't difficult to obtain, if you take our route. Easy in price, too. Not a suit but what is the dependable kind, lonestly made, trimmed and lined. There's a satisfactory clothing route, and an unsatisfactory one. Ours is the satisfactory one.

## Easy-to-Buy-Suits.

Any price you feel like paying—beginning at \$3.00. But this fact cm he relied upon:—No matter the price you pay, it's absolutely the best for the momey that it's possible to obtain. Perfectly fitting—made up in such perfect manner that you get the best of service—unilored in such matchless style that you get fitting qualities. At any price, but always the best for the money.

# Easy-to-Buy-Overcoats.

They have style, fit and comfort—three good points about a good overcoat. They have reasonable prices, that's another good point. We've an overcoat stock to interest yon. No matter the overcoat in mind, the chances are you'll find it our store, and you'll find the price right. An elegant range of styles, in meltons, kerseys, friezes, chinchillas, in the newest autumn and winter shapes. winter shupes.

# Splendid Values.

Underwear season is here, sure. Try our kind. They are reasonable in price, matchless in quality. A superb one, knitted to fit, at 25 cents per garment. If you want to go higher, we've plenty of them. Same way with Mackintoshes. A good one, with strapped, stiched and cemented seams, for \$2.50. Better if you want them.

## Properly Lined.

If your made-to-order suit is fashioned right—a comfortable, satisfactory suit—it must be properly lined, and with linings that match the suit perfectly. There need be no "danger" sign go with the EDWARD ROSE & CO. make. They

Some Plain Facts.

Grave errors, injustice, wrongs of greater or less degree, arise from lack of knowledge of the truth, and more frequently from deception.

The most infamous case on record of deception and injustice is the attempt to demonstite silver as a money of final redemption in the United

There is no learned judge, skilled lawyer, or court of justice that is capable of reconciling the effort with the constitutional laws that govern the issue of money in this country.
